

SELETAR AEROSPACE PARK

Since its inception in 2008, JTC's Seletar Aerospace Park (SAP) has become the leading hub for aerospace activities for the Asia Pacific region. Spread across 320 hectares, SAP is home to over 60 multi-national and local aerospace companies, with some 6,000 aerospace professionals engaged in key aerospace business activities and functions such as:

- Manufacturing and assembly of aircraft components;
- Maintenance, Repair and Overhaul (MRO);
- Business and general aviation; and
- Training and R&D activities

SAP is synonymous with excellence, as evidenced by the world-class infrastructure and vibrant ecosystem it offers. Besides providing companies with plug-and-play space solutions to scale up sustainably, SAP also boasts a collaborative environment that catalyses the development of ground-breaking ideas. JTC works closely with industry partners such as Association of Aerospace Industries (Singapore) to organise programmes and workshops for the aerospace community. These not only assist companies to reach their potential, but also nurture a new wave of talent that'll drive the next stage of growth.

JTC Aviation One and Two

These multi-tenanted industrial buildings offer a variety of spaces that cater to the needs of aviation-related companies. Industrial units range from 50 to 1,500 sqm, while office spaces range from 50 to 500 sqm. JTC Aviation Two also has an indoor area to testbed the latest in drone technology, perfect for those looking to develop new technologies in unmanned flights.

JTC aeroSpace Three

"Plug-and-play" infrastructure solutions at JTC's latest development will allow aerospace companies to set up their operations easily. The nine ready-built facilities come equipped with high floor loading specifications and adequate ceiling height that are perfect for intensive activities such as MRO and manufacturing.

The Oval

Designed to bring communities together, The Oval is a delight for the senses. Conserved colonial bungalows that dot the enclave house unique F&B and lifestyle options, while outdoor spaces provide picturesque spots to relax and unwind. Want to connect with nature? Then take a short walk to the Hampstead Wetlands Park, where lush greenery is woven into the fabric of everyday life.
